Reg. 6.3

- The first team that reach 2 sets wins the match.

- 3^o set will be eventually played as a normal tie-break of 15 points with killer point

Reg. 15.1

- Each team has a maximum of 30 seconds of time out **every match** and 6 substitutions each set.

Reg. 15.4

- There are no technical time-outs.

Reg. 18.1

- The interval between sets is 2 minutes within which teams must switch sides (except during the break between the 2nd and the 3rd sets) and proceed to the registration of the information on the score sheet.

Reg. "Kill point"

in case of 20-20, the team that scores the 21th point, will win the set and eventually the match (if the team has won 2 sets).

Protocol race:

- When the teams arrive to the sports Stadium the identification of athletes of each team will be done only one time, unless the organizing committee says the opposite.

- The teams must be on the court at least 15 minutes before the starting time written on the board.

- The teams can start their warming-up near the volleyball court 10 minutes before the starting time.

- In case of delay the teams will not have time to warm-up outside of the official time.

- A delay team before the starting time will bring the team to lose the right to warm-up in the warming-up area, unless the O.C. says the opposite. **The starting time of the match will not be extended.** The team will only have the remaining minutes of the official warming-up time.

- The team with a delay of 5 minutes from the starting time of the match can not have the right to warm-up but it will have immediately start to play the game.

- If a team does not show up within 5 minutes from the starting time, it will not have the right to play and it will consequently lose the game with the worst score (2-0 21-0 21-0).

- If both teams do not show up within 5 minutes from the starting time they will automatically lose the match both with the worst score. In this case the organizing committee will have the right to find a team between the best losing teams. In case of a knockout match the teams late will be automatically deleted.

- Breaks between matches are not expected. As soon as a match ends the players must **immediately** leave the volleyball court to allow other teams to play the next match.

Also: The organizing committee could make some changes based on the organizational needs. The team will obviously be warned of the changes in time.

Every player must take note of the rules of the game with the exceptions above.

With this document we mean to consider you know the rules of the game and accept them for this tournament.
